

Verton Ltd t/a Greentree

Health and Safety Policy Statement

As the Managing Directors of **Verton Ltd t/a Greentree** we recognise our own and the company's responsibilities. We consider the promotion of Health & Safety measures to be a shared objective of the management and employees of **Verton Ltd t/a Greentree**.

It is our policy to do all that is reasonably practicable to prevent personal injury, property damage and environmental harm. This includes the protection of employees, visitor, customers and the public from foreseeable hazards associated with our work.

Our arrangements will include:

- a) The provision and maintenance of a safe and healthy workplace, equipment, systems of work and working conditions.
- b) Ensuring that through risk assessments we establish safe systems of work.
- c) The provision of appropriate information, training, instruction, equipment and supervision so that they know how to work safely and we can identify any deviations from expected work systems.
- d) Providing arrangements to ensure the safe use, handling, storage and transport of products, materials and substances.
- e) Making adequate arrangements for First Aid and welfare.
- f) Ensuring that fire precautions are maintained including a specific Fire Risk Assessment.

Health & Safety is a shared responsibility such that all employees of **Verton Ltd t/a Greentree** have a duty to ensure that they work in a safe manner and that their acts or omissions do not cause harm to themselves or others. Employees are encouraged to identify and report any health and safety concerns relating to our work – too many people get hurt because of silence.

To ensure that the Policy is implemented and maintained so that **Verton Ltd t/a Greentree** complies with the requirements of the Health and Safety at Work etc. Act 1974 we will ensure that sufficient resources, financial and physical, are available for the effective implementation of this Policy.

Through progressive improvement and with the positive contribution of all concerned we will improve our Health & Safety performance.

Name: James Locke
