

Quality Policy Statement

Verton Ltd t/a Greentree are the UK and Ireland's largest stockist and distributor for Caplugs branded masking and protection products with over 70 years' experience, providing engineered solutions with a wide range of products and materials.

It's the policy of Verton Ltd t/a Greentree to provide all customers with an exceptional level of service and product quality they require in order to complete their project successfully.

Our quality policy and quality management system has been established by the management team, considering the strategy and context of the organisation and are subject to regular management reviews to guarantee continuing suitability, efficiency and effectiveness.

This policy is implemented through our quality management system that has been established and continually documented to fully conform to ISO9001, customer specific requirements, applicable law and regulatory requirements that apply to our products. Verton Ltd t/a Greentree uses and promotes the 'process approach' and 'risk-based thinking' as required by ISO9001.

The system is maintained and continually improved through the setting, monitoring and reviewing of our quality objectives, data analysis, internal auditing, problem solving, corrective and preventive actions, physical and human resource requirements and management reviews. Changes in the governing standards and regulatory/contractual requirements are assessed and incorporated on an on-going basis.

All personnel are made aware of the quality policy and objectives to assure they understand the importance of why quality is necessary within our business and how this could affect our customers. The necessary infrastructure and work environment is provided and maintained to ensure conformity to product, regulatory and law requirements.

We are committed to fostering close relationships with customers and our suppliers in order to meet the expectations of other interested parties.

This policy is communicated internally and is available to all interested parties.

James Locke
Managing Director
